

**Denice Economou, RN, PhD,
CHPN**

Senior Research Specialist
City of Hope Comprehensive
Cancer Center

Denice Economou has been in oncology nursing for 35 years and has focused her clinical expertise and research in pain management, palliative care and Cancer Survivorship. Denice is a senior research specialist at the City of Hope and the Project Director for the NCI grant funded *Survivorship Education for Quality Cancer Care* educational program, P.I.- Dr. Marcia Grant.

Dr. Economou has participated in the training of over 200 teams and 420 nurses in survivorship care. She lectures to healthcare professionals as well as cancer survivors on components of care and survivorship care planning. She was formerly with Aptium Oncology in the Department of Clinical Affairs where she oversaw pain & palliative care activities for the company. Dr. Economou was the nurse coordinator for the cancer pain management service at Cedars-Sinai Comprehensive Cancer Center for seven years, and an Oncology Nurse Educator providing education to nurses, patients and administrators on specific symptoms and pain management. Denice is an oncology faculty member for the End of Life Nursing Education Consortium (ELNEC).

She is a lecturer for the Genentech Speakers Program in Cancer Survivorship and Oncology Case Management. Dr. Economou is a past president of the Greater Los Angeles chapter of the Oncology Nursing Society. She has authored chapters in the Oxford Textbook of Palliative Nursing and Oncology Nursing Advisor. She is an Associate Editor for the Journal of the Advanced Practitioner in Oncology as well as an Assistant Clinical Professor for the School of Nursing-UCLA, Los Angeles.
