

Beatriz Korc-Grodzicki, MD, PhD
Chief of Geriatrics Service
Memorial Sloan Kettering Cancer Center

Dr. Korc is currently the Service Chief of the Geriatrics at the Memorial Sloan Kettering Cancer Center (MSKCC) and Professor of Clinical Medicine at Weil Cornell Medical College, New York, NY. As an internist with a specialty in Geriatrics, she has expertise in treating complex cases with multiple health conditions, and provides comprehensive guidance that can help prevent avoidable complications. As an attending in the Geriatrics Division at University of Rochester, Director of Clinical Services at Mount Sinai Medical Center Department of Geriatrics, NY, and as the Chief of the Geriatrics Service in the Department of Medicine at Memorial Sloan Kettering Cancer Center, NY, she has been involved in the teaching of geriatric principles to multiple health care providers, students, house staff and the community. Over the last 6 years she has been dedicated to the care of older adults with cancer, has been panel member of the NCCN Senior Adult Oncology Guidelines has belonged to the Cancer and Aging Interest Group at the American Geriatric Society as well as the Geriatric Oncology Special Interest Group at ASCO. She is the recipient of a recent large Geriatric Workforce Enhancement Program (GWAP) grant which will provide funding over the next 3 years for the education of oncologists and primary care physicians about the care of the geriatric cancer patient. She both spearheads clinical research and collaborates with oncologists and geriatricians nationwide in the hunt for best practices in caring for older patients with cancer.
