

Supriya Mohile, MD, MS
Associate Professor of Medicine
University of Rochester

Supriya Gupta Mohile, M.D., M.S. is a board-certified geriatrician and oncologist. Dr. Mohile has developed a clinical and research program in geriatric oncology by strengthening the links between geriatrics and oncology. She completed internship, residency and fellowships in hematology/oncology and geriatrics at University of Chicago Medical Center, where she also earned a Master's degree in health outcomes research. Mohile's fellowship was funded by an American Society of Clinical Oncology and John Hartford Foundation initiative to train oncologists in the care of the elderly. Mohile's research interests include the evaluation of patterns of care, health outcomes, and quality of life related to treatment for systemic cancer in older patients. She has previously received an American Society of Clinical Oncology Young Investigator Award and Merit Awards. Mohile was a Hartford Geriatrics Health Outcomes Research Scholar sponsored by the American Geriatrics Society and was a Clinical and Translational Science Institute K-L2 Awardee. She was awarded a Patient Centered Outcomes Research Institute Award and a NCI R01 to evaluate whether geriatric assessment can improve outcomes of older patients with cancer. She directs the Specialized Oncology Care & Research in the Elderly (SOCARE) geriatric oncology clinic at the University of Rochester/Highland Hospital and is an integral member of the University of Rochester National Community Oncology Research Program (NCORP) Research Base which is directed by Dr. Gary Morrow. She leads the Cancer Care Delivery Research (CCDR) efforts in the Research Base and is a member of the NCI's CCDR Coordinating Committee. Dr. Mohile is an expert in geriatric oncology with over 100 publications in this area. She serves on the editorial board of the *Journal of Clinical Oncology* and is Deputy Editor of the *Journal of Geriatric Oncology*. She also serves on the *American Society of Clinical Oncology* Geriatric Oncology Special Interest Group and Clinical Guidelines committees. Her contribution to moving the geriatric oncology field forward is noted in her leadership with developing research priorities and guidelines (publications below, mentees underlined).
