

Bio:

Jeanine Moreno, MS, APRN, AGNP-C

Jeanine Moreno is a geriatric nurse practitioner for the Center for Cancer and Aging. She obtained a MS/BSN in adult gerontology primary care nursing from The MGH Institute of Health Professions in Boston, MA. She also holds a BA in History/Art History from UCLA. Jeanine's primary focus at COH is clinical research where she is part of an interdisciplinary team whose goal is to enhance patient care and outcomes in the geriatric population.
