

Bio:**Carolina Uranga, MSN, AGCNS-BC, OCN**

Carolina Uranga has been an Adult-Gerontology CNS for the last 5 years, with 13 years of medical surgical oncology experience. She is currently the coordinator for Nurses Improving Care of Healthsystem Elders (NICHE) and is also the R25 project director for the Geriatric Oncology: Educating Nurses to Improve Quality Care program. Her efforts are focused on educating nurses on issues related to older adults and improving the care of the older adult with cancer.
